House Trade Bill

*Council on Industrial  
Development*

Sec. 467(c) -- change to read as follows: "(1)(A) To the extent consistent with intelligence sources and methods, the Council may secure directly from any department or agency of the United States information necessary to enable the Council to carry out the provisions of this subtitle. . . . (2) In any case in which the Council receives any information from a department or agency of the United States, the Council shall not disclose such information to the public unless such department or agency is authorized to disclose such information pursuant to Federal law. In no case shall the Council be authorized to disclose classified intelligence information."

Sec. 902(b) -- change to read as follows: "(1) To the extent consistent with intelligence sources and methods, each Federal department and agency shall cooperate with the Secretary of Commerce by making information available for assimilation into the National Trade Data Bank. (2) The Secretary of Commerce shall make information collected by the National Trade Data Bank available to appropriate Federal departments or agencies on a regular basis. In no case shall the Secretary be authorized to disclose classified intelligence information."
